

Center Stage

Cascade

Stacks up to 10 high.

The Cascade Collection from MTS Seating is the new wave in stackable seating. Offering superior support with a fully upholstered, compound curved wood shell, the Cascade Collection features the MTS original COMFORTweb® seat and a passive ergonomic COMFORTflex® back, with lumbar support, that flexes with the movement of the seated patron. Constructed with a steel frame engineered to stack up to 10 high, the Cascade comes standard with the industry best, MTS 12-year structural warranty.

Patent Pending

There's always something **NEW** at MTS. Learn more at www.mtsseating.com, or call us at 734-847-3875.
