

**BASES**  
CAST IRON TABLE BASE  
QUICK SHIP PROGRAM

**Ships in 5 business days...at our everyday low prices!**

**Labor saver Saves You Time!  
Assembly can take as little as 60 seconds!**

All MTS Labor saver bases feature steel top plates welded 360° with a 2" base bolt welded directly inside the column. Our 3" round columns feature a 16" x 16", deep-drawn 12-gauge top plate. Simply place the base over the base bolt, attach the lock washer and nut, and your Labor saver Base assembly is complete!

- V4 Midnight (Black Wrinkle) Finish Only
- Adjustable K-153-1 clear glides on all models.
- Standard Height of 28-1/2" only.
