## MTS Seating Names Ian King National Sales Manager for Lodging

**Temperance, Michigan - October 21, 2010** – MTS is pleased to announce that Ian King has been promoted to National Sales Manager-Lodging. In this role, King will be responsible for leading our efforts with major Lodging and Convention customers, as well as select Lodging Distribution customers.

“Ian’s previous successes as an MTS Sales Manager, combined with his passion for excellence, will provide the foundation for success in his new role,” said John Menas, Sr. Vice President of Sales, MTS Seating. “We are confident in Ian’s ability to build relationships, understand customer needs and deliver superior service.”

A graduate of Miami University, King joined MTS in 2004 as a Network Support Analyst in the I.T. department. The following year, he joined the Sales Department as a Sales Coordinator. In July of 2006 Ian became Sales Manager.

**About MTS Seating.** MTS is a leading manufacturer of premium quality banquet and foodservice seating for the hospitality market. The company’s wide selection of products includes extensive lines of stackable banquet and convention chairs, folding tables and staging products, guest room task chairs, and foodservice/dining seating and tables. MTS attributes its success to its commitment to continual product improvement and unparalleled customer satisfaction. Founded in 1955 by Paul Swy and Dean Curtis, MTS remains a family business owned and operated by the Swy family. The company is headquartered in Temperance, Michigan, with sales conducted through a nationwide network of distributors and representatives.

MTS practices sustainable manufacturing. MTS Seating is sensitive to the impact of our manufacturing on the world around us. That’s why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principals to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on our seating products.
