Center Stage: Bolero

TEMPERANCE, Mich. - March 28, 2013 - MTS Seating is introducing a new mesh-back version of the popular Bolero chair from the MTS Burgess Collection.

The Bolero is an elegant, artistically engaging design for a meeting, banquet and conference chair that does not look like a conventional nesting chair. These exceptional chairs feature a high-strength, lightweight, extruded aluminum alloy frame for greater durability.

Bolero offers the convenience of seat-on-seat nesting up to eight high, and are backed by the industry's best 12-year structural frame warranty.

About MTS Seating. MTS is a leading manufacturer of premium quality banquet and foodservice seating for the hospitality industry. The company's wide selection of products includes extensive lines of stackable banquet and convention chairs, folding tables and staging products, and foodservice/dining seating and tables. MTS attributes its success to its commitment to continual product improvement and unparalleled customer satisfaction. Founded in 1955 by Paul Swy and Dean Curtis, MTS remains a family business owned and operated by the Swy family. The company manufactures its products in the United States, with sales conducted through a nationwide network of distributors and representatives.

MTS practices sustainable manufacturing. MTS Seating is sensitive to the impact of our manufacturing on the world around us. That's why we developed and adopted the SynerGreen® philosophy to make continuous environmental improvements in our processes and products, while practicing sound business principals to focus on satisfying customer needs. In addition, MTS is proud to be the first hospitality banquet seating manufacturer to earn the GREENGUARD® Indoor Air Quality Certification on all of our seating products.
