MTS at 2014 HD Expo – New Seating Designs and a New Product Line

TEMPERANCE, Mich., May 14, 2014 – The 2014 edition of the HD Expo features three new offerings from the company's seating lines, along with its first foray into ergonomic task seating.

The new seating products include:

The Poize Dining Chair

– an elegant, stylish design featuring tapered legs and COMFORTweb seat, Poize is available with a wood back or upholstered back pad. The Poize is also available in a matching barstool.

The Bolero Dining Chair

– the latest addition to MTS's popular Bolero series features a wider seat for added comfort. This non-nesting chair also offers a full, upholstered back for a relaxing, formal dining experience.

The Mendola® Series

– a contemporary multi-purpose aluminum chair designed for banquet and conference venues. Designed by Peter Roth, the Mendola chair from the MTS Burgess® Collection offers elegant lines while retaining the high standards of functionality and strength.

In addition, MTS has entered the ergonomic seating segment with guest and conference room chairs that offer a wide range of options from value-priced to high-performance solutions. These new models combine utility and simplicity, durability and style, and are ideal in any setting.
